Jeanes Hospital:

Part V, Section B, Line 5: In conducting its CHNA, Jeanes Hospital took into account input from representatives of the community served by its facility, including those with special knowledge or expertise in public health. Our processes, as well as the persons with whom Jeanes Hospital consulted are set forth on pages 13 to 15, as well as Appendix A of Jeanes CHNA of 2016, which is posted in plain view on the hospital's website at https://www.jeanes.com/content/community_health_information.htm.

As noted in the CHNA, Jeanes Hospital held a community stakeholder meeting at its facility. Its CHNA also included feedback obtained in four external community CHNA community meetings that were conducted by the Public Health Management Corporation on behalf of Jeanes Hospital and other Philadelphia area hospital providers.

Jeanes Hospital:

Part V, Section B, Line 11: Jeanes is addressing many of the needs identified in the CHNA. Some needs, such as dental care, however, are not among the clinical service provided by our hospital. To address cancer care, we are working in partnership with our affiliated Fox Chase Cancer Center. Although the federal government and HHS-funded Marketplace

Navigators are in a better position to address needs of the uninsured, our Financial Services Department continues to provide services for our patients and families, and is partnering with community stakeholders as our resources allow. All unmet needs are identified in our CHNA

Implementation strategy, which is posted in plain view on our hospital's

Direct costs include salaries, employee benefits, supplies, and other costs that are directly attributable to the services. These direct costs would not exist if the service or program did not exist. Indirect costs are expenses not directly attributable to the service or programs but are included in the calculation of costs for total charity care and means-tested government programs. These costs include but are not limited to human resources, finance departments, insurance, support departments and overhead expenses.

about 2,700 community members through food banks, counseling for first
responders and returning veterans, meals for isolated homebound
individuals and more.

As noted in the Jeanes Hospital Community Health Needs Implementation

Strategy, Jeanes is working beyond its hospital walls to address social

determinants of health and improve the quality of living in our

communities. We work with local community organizations to address the

dangers of obesity by bringing a farmer's market to our campus, offering

nutritional cooking demonstrations and partnering with food kitchens.

Similarly, we work with community organizations to improve the community's

access to mental health resources.

2.As a response to efforts to improve the health and quality of life of people living in the community, Jeanes Hospital provided \$2,439,518 in unreimbursed services to patients enrolled in Medicare programs. Jeanes Hospital believes that the Medicare shortfall of \$2,439,518 should be treated as a community benefit since it has a clear mission to serving and improving the health status of the elderly. The \$2,439,518 shortfall is not included in the table on page 30 and if included the total financial assistance and community benefits provided at cost would increase from For the twelve months ended June 30, 2017, approximately 4.77% to 6.3%. 53% of all inpatients treated at Jeanes Hospital were over the age of 65 and if Jeanes should cease to exist, this shortfall would have to be absorbed by another hospital provider in the Jeanes community. addition, Jeanes Hospital is designated as a Medicare Disproportionate Share Hospital (DSH). DSH hospitals are "safety net" hospitals because they serve predominantly low-income communities and have a substantial number of Medicare patients that also qualify for Medicaid coverage. associated costs with providing care to these patients are frequently not

covered by government sponsored programs.

Part III, Line 9b:

Jeanes Hospital's Billing and Collection policy contains provisions on the collection practices to be followed for all patients including patients who qualify for charity care/financial assistance. For uninsured patients Jeanes Hospital systematically discounts the charges to a uninsured fee schedule which is based on Medicare rates. Patients with income up to 400% of Federal Poverty Income Guidelines may qualify for charity care/financial assistance. If an account does not qualify for charity care or financial assistance, the normal billing process of four (4) statements over a span of at least 120 days will occur. If no patient response is received, a write-off request form will be completed by the collection specialist and submitted for proper signature authority for agency referral. The account will be forwarded to a collection agency for additional collection efforts. In addition, Jeanes Hospital offers very patient friendly payment plans to accommodate a patient's situation.

The Financial Counselors assigned to Jeanes Hospital screen all uninsured and underinsured patients (including those with high deductibles and co-pays) who are hospitalized or require elective outpatient hospital services to determine their eligibility for government funded medical insurance coverage such as Medicaid and CHIP. Patients that meet the qualifications for these programs are assisted by financial counseling staff throughout each step of the application process. Medicaid applications are submitted by Jeanes Hospital on the patients' behalf and tracked until final determination. Patients who do not qualify for government-funded programs are screened for Jeanes Hospital's Emergency Care, Charity Care, and Financial Assistance Policy to determine their eligibility for free or reduced cost care.

Community Benefit Overview:

Jeanes Hospital takes great pride in the broad array of community services that we provide to our surrounding neighborhoods. Founded in1928 by virtue of a bequest in the Will of Philadelphia Quaker leader Anna T. Jeanes, we continue her vision of serving as the destination for those who need ambulatory, inpatient, surgical, and home care in Northeast Philadelphia by combining the compassionate nature of a Quaker founded community hospital with the advanced capabilities of an academic medical center. Jeanes Hospital is firmly committed to advancing the health of people and quality of life in our communities. Below is a summary of some of the programs and activities operated in our FYE June 30, 2017 of which we are most proud.

Engaging with the Community. Jeanes reached nearly 29,000 seniors, adults, and children, providing free health education and screenings; support groups; stroke awareness, and other topics, and many other

outreach and community building activities.

Promoting Wellness: Jeanes is working beyond its hospital walls to address social determinants of health and improve the quality of living in our communities. Through our FARM STAND program, we work with the Jeanes Auxiliary and the Common Market to address the dangers of obesity by bringing a farmer's market to our campus, offering nutritional cooking demonstrations and offering locally grown fruits and vegetable to the community. We've become part of the "Good Food Healthy Hospitals" initiative, which asks hospitals to take the lead in offering healthier food options. We instituted "Wellness Wednesdays" to incorporate healthy produce into recipes for people to try/buy, having recipes and cooking tips available at the farm stand. Jeanes offers a safe, park-like WALKING TRAIL for community members to enjoy healthy outdoor exercise. We also host some of our community education sessions outdoors on this track, where cardiologists and other health professionals explain firsthand the need to stay fit and healthy. Similarly, we work with community organizations to improve the community's access to mental health resources.

Food, Book, Clothing, and Toy Drive: Reflecting the compassion of our Quaker heritage, Jeanes employees contributed food, new coats, toys and financial contributions to support low income families living in our communities. We partnered with Salvation Army, Feast of Justice, local food banks, churches and other community organizations on these initiatives.

Investing in Health Professions Education: Jeanes helps provide the education and training necessary to develop a professional healthcare workforce to benefit the broader community.

Fostering Volunteerism: A majority of the members of Jeanes Hospital's

Board of Directors is comprised of local volunteers who offer expertise

and govern the organization without compensation. Similarly, members of

Jeanes Hospital's executive staff routinely participate in

not-for-profit community health and social service organizations, as

members of their boards-of-directors and in partnership with their

outreach services.
