Part III Supplemental Information

Provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 3, 4a, 4b, 4c, 5a, 5b, 6a, 6b, 7, and 8, and for Part II. Also complete this part for any additional information.

Part 1 Line 5

Explanation: The physicians of Temple Physicians Inc (TPI) are employed under the terms of individual employment agreements. Many of the physicians receive annual compensation for all services provided under the employment agreement in an amount based on the adjusted gross revenues (AGR), or other similar metric, allocable to patients to whom the physician provided services during the term of the agreement. The compensation formula is not based on any metric of the institution as a whole. AGR is defined in the employment agreement to mean the gross revenues generated by the physician from the professional patient care services at the practice during each year of the term of the employment agreement, less allowances for bad debt and contractual and similar allowances. This formula is not based on net profits. See Revenue Procedure 2017-13. However, the total compensation a physician receives under the employment agreement is subject to an overall dollar amount ceiling as specified in each physician's agreement. The fixed cap permits a determination of reasonableness to be built into the formula. The compensation as capped is deemed reasonable and falls within the range reflected in regional or national surveys regarding income earned

Part III Supplemental Information

Provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 3, 4a, 4b, 4c, 5a, 5b, 6a, 6b, 7, and 8, and for Part II. Also complete this part for any additional information.

by physicians in the same specialty. Importantly this formula takes into account each individual physician's productivity. In the case of a medical practice, this methodology is analogous to compensation based on time spent on the employer's work. This compensation methodology was reported to the Internal Revenue Service in connection with TPI's federal tax exemption application and is permitted under the section 503(c)(3) standards for determining reasonable compensation.

Part 1 Line 7

Explanation: In addition to the physician compensation plan described above (relative to Schedule J part I Line 5) physicians of Temple Physicians Inc are eligible for a discretionary bonus upon the attainment of certain qualitative measures, such as (1) the creation of educational programs for patients and staff of TPI (2) assistance in relocating a practice site and (3) development and implementation of new quality care protocols.
